

# Event pricing

As of January 2019

Let Nellie take the stress away for your next event!

When that little caravan rocks up, everyone knows it's a party!

Please feel free to contact us for a custom quote if your event does not come under any of the following packages.

Photos are available on our Facebook and Instagram pages. If you are after photos of a certain package in particular, please do not hesitate to contact us.

Please note: ALCOHOL is BYO – Our guests provide the alcohol and we provide the service. If you are wanting us to provide the alcohol – Please contact us to discuss ([info@nelliescafeandbar.com.au](mailto:info@nelliescafeandbar.com.au))

We require access to power (or can hire a generator). A cool room is highly recommended (for bar service). When we attend your event we arrive 1 hour earlier to put all your drinks on ice and in our fridges. However no one wants a cold beer (boooooo!). We ask that you have your beverages chilled on our arrival.

We require access to rubbish removal. We can remove all rubbish for you, however there is a fee of \$150.00. A trailer or rubbish bins are perfect!

Mileage. If your event is not in Canberra we do charge a mileage fee of \$2.00 per km. This is to cover our costs and wages to attend your special event!

We can't wait to party with you!

- Lisa
